# i-Learning

The image shows a screenshot of a web browser displaying the login page for the i-Learning system at sia.unram.ac.id. The title bar of the browser reads "Masuk » Innovative Learning". The address bar shows the URL "sia.unram.ac.id/index.php/i-learning/masuk". The page features a decorative header with a computer monitor displaying a certificate, surrounded by books, a coffee cup, and school supplies like pencils and a lamp. Below the header is a form with two input fields: "Username" and "Password", both containing placeholder text. A blue "Masuk" button with a lock icon is at the bottom.

# Google Classroom

<https://classroom.google.com>

The screenshot shows the Google Classroom homepage. At the top, there's a green header bar with the Google logo and the text "Classroom: mengelola pengajar". Below the header is a navigation bar with links for "For Education", "Mengapa Google", "Produk", "Referensi Pengajaran", "Ilmu Komputer", "Pelatihan & Dukungan", "Terbaru", and "Login". The main content area features a large title "Kelola pengajaran dan pembelajaran dengan Classroom" and a subtitle explaining its purpose: "Classroom membantu siswa dan pengajar mengorganisir tugas, meningkatkan kolaborasi, dan menumbuhkan komunikasi yang lebih baik." A prominent blue button labeled "Buka Classroom" is centered below the title. At the bottom, a note says "Mengalami masalah saat login ke Classroom? [Dapatkan tips dan bantuan di sini.](#)" The bottom of the screen shows a Windows taskbar with various icons and the system tray.

# Moodle

<http://www.moodle.org>

The name Moodle has **two meanings**. First, it's an acronym for **Modular Object-Oriented Dynamic Learning Environment**. Moodle is also a verb that describes the process of lazily meandering through something, doing things as it occurs to you to do them, an **enjoyable tinkering that often leads to insight and creativity**.
